Hon. Andrew Edison ↑

Plaintiff's counsel prepared this draft order and obviously confused me with U.S. District Court Judge Keith Ellison. I appreciate the compliment, but want to make sure the parties understand that Judge Ellison and I are two completely different people. Judge Ellison clerked at The U.S. Supreme Court; I once visited the Supreme Court on a tour. Judge Ellison was a Rhodes Scholar; ~~my mom thinks~~ should have been a Rhodes Scholar. Judge Ellison graduated Summa cum laude and Phi Beta Kappa from Harvard; I don't know what those big Latin words mean.
